## Behaviour Agreement:

Camp is a place to have fun, as well as to learn about yourself and others. To ensure that this experience is open to everyone, we would like campers and their parents/guardians to know what is expected ahead of time.

### Please read through the following information with your child(ren):

The staff of Silver Lake Camp expects that campers will abide the general rules of conduct that allows everyone to enjoy a secure environment that promotes Christian ideals, and allows for personal growth. This means that campers can help our staff and others by:

- Not engaging in activities that will harm others. This includes fighting, bullying, teasing, or the use of inappropriate language.

- Treating others with the same respect and concern you would want for yourself.
- Not smoking under any circumstance.

If you as a camper, break trust with our staff you will be warned. In a situation where the Camp Director feels that your behaviour has been unacceptable, you may be sent home.

I, the camper, understand and agree to follow the above guidelines. I, the parent/guardian, have discussed the above information with my child(ren) and realize that consistent inappropriate behaviour will result in consequences that will be determined by the Camp Director. A decision to send a camper home will require me to arrange transportation at the earliest possible time, and refunds for remaining camp days will not be issued.
