

SUMMER 2019!

Director's Message

Hello, Silver Lakers!

My name is Jamie Connelly and I am thrilled to be back for my 7th summer as Camp Director! Summer 2019 at Silver Lake promises to be full of fun, faith, and adventure for children and youth of all ages. Silver Lake has always been and will continue to be a special place for campers to make new friends, learn more about God, and to make amazing memories that will last a lifetime.

I believe there is no better place for children and youth to grow in faith and in relationship with Jesus than at camp. The staff and I are really looking forward to welcoming new and returning campers to Silver Lake this summer and can't wait to see what God has in store for us all!
