SILVER LAKE NEWS

JUNE 2022

Welcome Back To Summer At SLC!

Hello Silver Lakers!

We cannot believe that our first week of camp is less than one month away!

The community has been hard at work these past few weeks getting ready to welcome campers back onto site. Preparations have included our annual May Work Bee which was a huge success! Thank you to the amazing group of volunteers (40+ individuals) who helped get the space ready.

Additionally, we met with our 2022 staff team for the first time to begin preparing them for the summer. Suffice to say, we and the staff are very excited to be back on site and meet all our new and returning campers, and cannot wait to see what God has in store for us!

Silver Lake has always been and will continue to be a special place for campers to make new friends, learn more about God, and create amazing memories that last a lifetime. As always, please reach out if you have any questions. We want to ensure you and your child feel prepared for camp and that they have the best week possible!

Counting down the days until camp...your Directing Team,

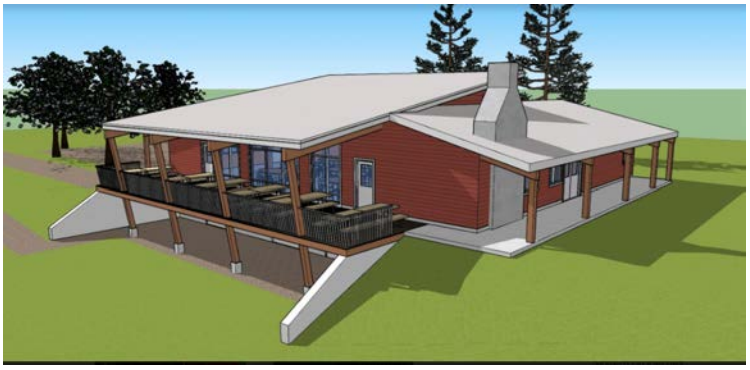
Thank you, United Church of Canada Foundation! **We are excited to announce that Silver Lake Camp has been granted $2,500.00** from the ***Camping Trust*** for our upcoming dining hall build project. This grant is made possible through the "Seeds of Hope" granting program. We are pleased that the United Church continues to support camping ministries. The pictures of our future dining hall are featured below. To find out more about this project or to donate you can go to our website: ***www.silverlakecamp.ca***



This spring we held our annual **Work Bee i**n person again! Lots of work and cleaning were done around the site in preparation for the 2022 camping season. We now have **new tent bases at our WILD site** built by a crew of volunteers. **Thank you** to all who came out to support the camp, helping to clean, build and cook!
